Writing Dates

When you write a date, you place a comma after the day of the week and before the year.

example: Monday, October 7, 2019

Rewrite the dates using the correct format. Be sure you capitalize the first letter of each day and month. Insert commas in the correct places.

1. tuesday january 6 2015
   ____________________________________

2. sunday july 20 1969
   ____________________________________

3. monday june 2 2003
   ____________________________________

4. saturday december 30 2017
   ____________________________________

5. tuesday may 17 2016
   ____________________________________

6. friday april 12 1861
   ____________________________________

Describe what is wrong with the way each of the dates below is written.

   ____________________________________

8. My father was born on Monday, January, 9, 1978.
   ____________________________________

9. My best friend will turn 21 years old on Thursday, september 13, 2029.
